Post this calendar on your refrigerator and check it daily so your child will be prepared for every exciting day at Camp!

Welcome to Camp Evergreen! The staff are already eager to make this the BEST SUMMER EVER!

This schedule for summer 2010 is an "on-going schedule." It lists many of the important days at camp and explains the activities that are offered. Please note there is no camp on Friday, July 5, 2010, in celebration of Independence Day.

Each week has a theme with daily related activities. Crazy Dress-Up Days take place on Fridays, except during week one when Crazy Dress-Up Day is Thursday. This allows campers to get a little crazy and wear something they might not normally wear to camp. Fishing derbies and canoe trips are offered each session. Sporting events are held throughout the summer, with major tournaments noted on the calendar. Campers can pitch their tents, un-roll sleeping bags and spend the night on any of our four fun and exciting sleepovers throughout the summer. There is also a very special Indian Summer sleepover during Week 10. An "All-Camp Get Together" takes place every Friday afternoon. It starts at 12:30pm, and is when campers and staff present their talents to the entire camp. We encourage all campers to take the stage and shine! Parents, guardians, and family members are always invited to come and watch.

Canoe Trips one of the special all-day activities occurring throughout the summer, are offered on Wednesdays (for Unit 2) and Thursdays for (Unit 3) of the second week of each session. Campers spend an entire day exploring the many water ways in the surrounding area. Sign-ups will be held on Mondays of canoe weeks. Campers must attend the sign-up time in order to go on the trip. Campers who sign up should come to camp the morning of the trip already wearing their bathing suits under their camp clothes. Lunch should be packed in a waterproof bag and campers should bring a **hat to wear while on the water.**

Please note that only deep end swimmers will be allowed on canoe trips.

Fishing derbies are offered on Wednesdays of the first week of each session. Campers may bring their own fishing gear, which will be stored at camp. Gear should be clearly labeled with the camper's name and tent number. Campers will be given the opportunity to make their own fishing rods and dig for worms to use as bait.

Sleepovers are the best! What could be more fun than spending the night at camp? Sleepovers are offered every other week on Wednesdays; sometimes on Thursdays; and even one on a Friday. On the morning of a sleepover, campers should arrive with pillow, sleeping bag and sleepover gear in **ONE** clearly labeled bag (We recommend ZipLock XXL clear bag with handle). Campers must have long pants to wear at evening campfire. A separate bag should be brought with daily camp gear. We will provide dinner, juice, a snack before campfire, as well as breakfast and lunch the next day. Campers must be in Unit 2 or Unit 3 in order to spend the night. A special mini-sleepover is offered during Week 6 for younger campers in Unit 1 and Unit 2, allowing them the experience of a sleepover without actually spending the night at camp.

Indian Summer has a unique focus on aspects of Native American culture, such as Native American lore and tradition. All of the activities of these two weeks are based around this theme. Special events include a 3-D Archery shoot, a trip to the Soap Stone Mine, and a great fishing derby. The session ends with a special sleepover in the camper-created *Indian Village*, where campers have the chance to sleep in their own shelters!

Birthday Parties during summer camp can be celebrated with your camper's entire tent! Two things are needed. First, if you wish to drop off goodies, traditionally brownies or watermelon, they need to be dropped off at the parking area, or during morning camp hours at the camp office. Second, please include a note to the counselor indicating these items are at camp so the counselor may make arrangements for a lunchtime party.

Notes to Camp during summer are an important method of communication. Any notes indicating medication for campers, swimming issues, camp issues, early dismissal, or alternate pick up should be given directly to the camper's counselor by either yourself or your camper. The counselor will forward the note to the camp office to be dealt with appropriately.

THE FUN DOES NOT STOP WHEN THE SUMMER IS OVER! HERE ARE SOME OTHER GREAT CAMP EVERGREEN EVENTS TO PLAN FOR DURING THE YEAR:

Vacation Camp is a wonderful way for your child to get the most out of their school vacation. **February Vacation** camp will be **February 15-19** and **April Vacation** camp will be **April 19-23**. February Vacation camp features indoor and outdoor camp favorites like skating, cross country skiing, ice fishing, arts & crafts, fort building, and more! April Vacation camp is full with outdoor sports, nature hikes and trout fishing at our pond! Both weeks are packed with a mix of cool activities which help make for a fun vacation break from school. Vacation camp is a terrific way for your child to get a flavor of camp before summer and experience some unique activities.

Birthday Parties at Camp Evergreen are one of a kind! For campers looking for that "something special", consider Camp Evergreen for your Birthday. Two hour themed parties are offered September through June. We will help you create any party imaginable.
