Summer 2020 was a great success thanks to the efforts of our incredible staff, parents, campers and greater community. The knowledge and experience we gained this past summer will inform how we move forward into the next year's program. Our goal is to provide a safe and fun camp experience no matter what the conditions. In order to achieve our goal, we must remain cautious in light of the unknown circumstances surrounding the COVID-19 pandemic and how it will effect the 2021 camping season.

The safety of our campers and staff is our number 1 priority. It is for this reason we plan on implementing many of the same safety protocols we administered last summer. This includes limited group size, limiting group mixing, physical distancing, mask wearing, sanitizing, and hand hygiene. **Enrollment is extremely limited.** Some of our traditional activities (such as late nights) will not be scheduled until we know more about the regulations in place for camps next summer. We know it is possible to run a great summer program even if things look a little different from our traditional program. We look forward to having a great and memory filled summer with you!

Spread the word about our mailing list so that you and your friends can find out about all the **BIG THINGS** happening at Camp Evergreen. It is the best way to stay informed about the application process, open houses, vacation camps, birthday parties, and much more!

As always, do not hesitate to contact us with any questions or concerns you may have.

Welcome to Camp Evergreen 2021!

Post this calendar on your refrigerator and check it daily so your child will be prepared for every exciting day at camp! The staff are already eager to make this the BEST SUMMER EVER!

This schedule for Summer 2021 is an "on-going" schedule. It lists many of the important days at camp and explains the activities that are offered. Each week has a theme with daily related activities.

Crazy Dress-Up Days take place on Fridays. This allows campers to get a little crazy and wear something different.

Sporting events are held throughout the summer with major tournaments noted on the calendar.

All "Unit" Get Together:

Each Friday afternoon, every unit will host a get together at the outdoor theater. This is when campers and staff present their talents in front of the entire unit! We encourage all campers to take the stage and shine!

Notes and Emails:

Notes and emails are important methods of communication to the counselors and administration throughout the summer. Any communication concerning medication for campers, swimming issues, camp issues, early dismissal, or alternate pick up should be emailed to the office, given directly to the traffic team, or put in the drop box. *Please don't leave notes in your child's backpack.* Emails to the camp office are checked hourly during the camp day.

Canoe Trips:

Canoeing will be scheduled every other week during the summer. It's a great opportunity to get out and explore some of the ponds and wetlands in the surrounding area.

Fishing Derbies:

Fishing will be offered every other week. Camp will provide hand made fishing poles and bait for a great fishing adventure!

Late Nights:

Late Nights are the best! What could be more fun than spending even more time at camp? Late Nights are offered every other week on Wednesday for Units 2 and 3 only. Our younger campers in Unit 1 and 2 will have the opportunity to attend *Buddy and Bella's Mini Late Night* week 5.

Permission slips will be sent out the week before the scheduled Late Night. We recommend you send your camper in prepared with an extra long sleeved shirt and pants for the evening campfire. We will provide Bug spray.

SPACE IS LIMITED!

Indian Summer:

This is the only one week session available during the summer. Indian Summer's activities are based upon aspects of Native American culture such as Native American lore and tradition. Special events include a 3-D Archery shoot and

storytelling in an authentic tipi. Campers work all week long to create their own village made out of natural materials!

Enrollment is limited so sign up early if you are interested in registering for this special week of camp.

Celebrating Birthdays:

Your child's birthday can be celebrated with your camper's entire tent! If you wish to drop off goodies they must be store bought and individually packaged. Please drop off the items at morning drop off. Please include a note to the counselor indicating these items are at camp so the counselor may make arrangements for a lunchtime party.

Celebrate Your Birthday Evergreen Style Year Round!

Camp is also available to host your child's birthday party year round! We offer two hour themed parties throughout the year no matter what the season. Some of our most popular themes include Harry Potter, Boot Camp, Arts and Crafts and Nature. For Winter birthdays, why not throw a sledding party on our very own sledding hill! There are so many possibilities! Contact us to discuss how we can help make your child's birthday the BEST EVER!

Vacation Camp:

School Vacation Camp is a wonderful way for your child to unplug and get the most out of their school vacation.

Spring Vacation camp will be held April 19-23. We'll celebrate spring with outdoor sports, nature hikes, and trout fishing at our pond!

Vacation Camp is a great way for new campers to try out our program before starting their summer adventure. Sign up for 3, 4 or all 5 days.

Enrollment is limited! Sign up today!
